

Wildflower Garden Club

Community Projects

Alaska Botanical Garden Verna Pratt Wildflower Trail: Each spring, club members renovate the Wildflower trail at ABG.

Children's Marigold Giveaway: Children are invited to transplant a marigold seedling at the Annual Midtown Mall Spring Garden Show. Members provide the seedlings and expertise.

Annual WfGC Plant Sale: Winter-hardy and hard-to-find plants, locally grown by club members, are available to the public. Funds raised are used to achieve the club's stated objectives. For information on this year's sale, refer to the [Calendar of Events](#).

Alaska State Fair Junior Giant Zucchini Contest: Each year, the Club sponsors a Zucchini contest for children ages 6-12 and 13-17. Prizes are awarded to those entries with the heaviest weights. For this year's entry dates, refer to the [Calendar of Events](#).

Flower Show Judge Training School: Up to four (4) members are sponsored as participants in this ongoing training program.

WfGC Grant Program: The WfGC offers a variety of grant opportunities. With a goal to encourage botanical education, the club may fund scholarly studies, scientific research projects or work in the areas of Horticulture, Floriculture, Landscape Design, Forestry, Botany, Agronomy, Plant Pathology and/or allied subjects. For information or to download an application, refer to the [Grants Page](#).
