State Life Membership - \$50.00 Donation to State Scholarship Fund

This gift donation is a charitable contribution, which can be listed on your individual income tax return. The State Organization has received its Nonprofit Organization determination from the IRS as a tax exempt 501 (c) (3) organization. No special membership consideration is given in return; therefore, the entire amount is tax deductible.

Donations are deposited in the State Scholarship Restricted Fund Savings Account to be used for state scholarship award grants.

Make check payable to Alaska Garden Clubs and forward to the State Life Membership Chairman:

Individuals may make a personal donation and become a State Life Member themselves, or make a donation as a gift for a birthday or Christmas present to another person from family or friends.

Garden Clubs may make a presentation of a State Life Membership as a gift to a member, as an acknowledgment of performance for retiring club presidents, or an opportunity to express appreciation to a supporting official, a flowers show judge, etc.

It is hoped that these memberships given to present members, to past members, and to persons who are not members will be a way of promoting the value of garden club membership.

If you are giving a Christmas gift of a State Life Membership, do your Christmas shopping early.

Send the application form or a letter accompanied by a check for \$50.00 to your State Life Membership Chairman.
